Games

For PlayStation device owners, PlayStation® Store is the exclusive online video game store that allows players to seamlessly discover and buy video games, demos, and add-ons, and download them straight to their PlayStation devices.

Music

Connect instantly to the world's largest library of songs, playlists and content, streaming from your favorite device. Millions of choices, no ads.

Video

Watch Hollywood's latest hit movies, classic and new series, anime, and more, streaming from your favorite device. The hottest TV shows are here, too.

Sony Entertainment Network

Services...

Entertainment Network: It's an all-access pass to music, movies, games, and more, all through one source and accessible on Sony devices such as PlayStation®, Xperia Smartphones and tablets, BRAVIA® TV, Home Cinema systems, Walkman® and more. **Enjoy what you want, when you want, online, at home or on the go.**

Explore the possibilities at Sony Network Entertainment International

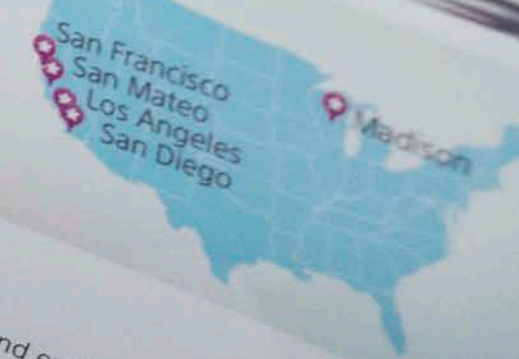

SAN MATEO

SAN FRANCISCO

OUR LOCATIONS:

"We are an entertainment company who celebrates fun and excitement within our corporate culture because it enables us to deliver the 'Wow' experiences that our customers love."
John Kodera, President of SNEI

Who we are...

Sony Network Entertainment International LLC (SNEI), a subsidiary of Sony Corporation of America, is the premier provider of digital entertainment.

What we offer...

Business, Marketing, Operations, Project Management, Software Engineering, UX/UI and Creative Design, Web Development, Security, Finance, and much more!
